Dear UMC participants,

Thanks for your interest in the conference, we look forward to greeting you at Mason on Saturday. Attached please find the final conference schedule and a campus map, for those not familiar with the area.

### 1) Those of you arriving on Saturday morning and not staying at the Inn:

Please plan to arrive to campus no later than 9am on Saturday and park in Parking Lots A or C which are free over the weekend. Proceed to the Innovation Hall building (Bldg 29 on the map), which is a short walk from the parking area.

### 2) Those who are staying overnight at Mason Inn:

Please park your car in the Mason Inn parking lot when you arrive on Friday evening, reservations have been made in your name. If you have issues arising at the front desk after hours, ask them to contact me at [814-360-0469](tel:814-360-0469). on Saturday morning, take a 10-min walk to Innovation Hall (Bldg 29 on the map), passing Mason pond on your way. If you have trouble finding the place, don't hesitate to call me at the number above. Continental breakfast will be provided at the conference site.

### 3) Mason students attending the conference:

Please make sure to check-in and check-out at the conference registration desk outside Innovation Hall 103.

Breakfast and lunch will be provided at the conference site, but you may want to make your own dinner plans for Friday and/or Saturday night. A number of good restaurants is located in close vicinity to campus, e.g. on the University Mall plaza on Braddock across from campus (5-min walk from the conference building), such as Brion's Grille: <http://www.brionsgrille.com>.

If you have further questions, please contact myself or any of the co-organizers (cc'd here). We hope you will enjoy the conference!

Sincerely,

Maria Emelianenko

On behalf of the UMC organizing committee
